***Allowable Subject Matter***

1. The following is an examiner's statement of reasons for allowance:

Claims **1 - 7, 9, 10, 13, 15** are pending.

2. Independent claims **1, 3, 9, 10, 13** are allowed based on the following:

The prior art of record considered individually or in combination, fails to fairly show or suggest wherein *said collaboration space comprising a hierarchy of rooms, each room being a place in collaboration space including said directory of members; said directory of members, said access control list of members, and said readers field selectively providing increased, decreased, and maintained access to a child place in collaboration space, with access at any level of authority to a child place enabled only for those authorized to access a corresponding parent place, and whether a link to a child place will be enabled for a specific user in its corresponding parent place*, in addition to the other limitations in the specific manner as recited in claims **1 - 7, 9, 10, 13, 15**.

Claims **2** are allowed due to allowed base claim **1**.

Claims **4 - 7** are allowed due to allowed base claim **3**.

Claims **15** are allowed due to allowed base claim **13**.

So as indicated by the above statements, Applicant's arguments have been considered persuasive, in light of the set of claims with limitations as well as the

enabling portions of the specification. The dependent claims further limit the independent claims and are considered allowable on the same basis as the independent claims as well as for the further limitations set forth.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
